Market Mangers Report

Greg Smith's report reflected an increase in sales especially in produce at 24%. He also showed an increase in total vendor sales from last year. The town and WFM came to agreement with the License Agreement. Greg also reported on the expenses and total money raised with the fundraisers that have been put on up to date this year.

New Business

Chou was wanting to use the market to start her bakery by building a full kitchen. This has been tabled for now until further notice. She might have found a place to lease on main street. A discussion was also raised about the empty vendor spots or gaps between the vendors. Greg Smith said most were due to people not being able to make the Saturday market due to vacations or other personal reasons. An idea was brought to the table about having the vendors that show up every Saturday to be closer together and the rest to be for the daily vendors we left the discussion there to discuss this more later.

A date and time was set for the end of year vendor meeting and pot luck. For November 15th at 6:30
